# CreMoLe Project's Goal

Create  
Motivate  
Learn

The project aims to identify factors related to motivating adults' participation and persistence in Lifelong Learning processes.

Also, the project plans to compile a set of creative and critical thinking strategies to be used by adult educators to more successfully motivate adults to participate in Lifelong Learning processes.

## Project's aims

- To improve teaching competences for adult-teachers/ tutors;
- To improve the content and delivery of adult education;
- To provide adult educators with a set of creative and critical thinking strategies to use in adult learning contexts;
- To improve the accessibility of learning opportunities for adults;
- To enhance the adults' motivation for lifelong learning;
- To provide trainers/ tutors the opportunity to share experiences and practices from the participating countries and to work together with European colleagues for improving adult participation in Lifelong Learning.

## Deliverables and outcomes

Collection of best practices on how adults learn;

Collection of creative and critical thinking strategies that motivate adults to participate in Lifelong Learning;

Website for disseminating information and products ([www.cremole.eu](http://www.cremole.eu));

A Grundtvig training course to improve the availability and quality of European training courses available to adult educators.
